Join us for an evening of expert insights into the most seminal immigration law issues and developments of the past year, current updates and possible future directions. Leading practitioners will share with you practical information, and lead discussion on:

- Medical inadmissibility
- Canada’s legalization of marijuana and its impacts on U.S. admissibility, border searches of electronic devices by USCIBP and an update on the *Preclearance Act, 2016*
- Flag poling and an update on consultants
- GSS update: Labour Market Benefit Plans and work without work permits
- An update on Canada’s approach to refugees and cessation matters

Continue the conversations with speakers and your peers at a wine and cheese reception following the program. Register now to ensure your spot!
