Lawyers

Blaney McMurtry LLP seeks exceptional individuals who take pride in their work and know the importance of excellent client service. We are committed to attracting outstanding talent across all of our practice groups and at every level of experience.

Outside of our student program, we recruit accomplished lawyers who began their legal careers elsewhere and are looking for the entrepreneurial freedom and top level expertise in litigation & advocacy, real estate and business law that Blaney McMurtry provides. If you want to learn more about who we are, feel free to visit our firm and history pages.

If you are exploring the next step in your career, please submit an application — in confidence — including a cover letter outlining your practice interests, your resume, academic transcripts, and two writing samples to:
