The Regulation of Dental Assistants Under the RHPA

Date: February 27, 2014
Lawyers You Should Know: Dr. Gary Srebrolow

Originally published in the Ontario Bar Association (OBA) - Health Law Section, February 11, 2014.

The article discusses the process followed by the Ministry of Health and Long Term Care in determining if a health profession should be regulated under the *Regulated Health Professions Act*. The article focuses on Dental Assistants and how they were recently denied status as a regulated health profession on the basis that there is already existing and sufficient supervision in place.
