

# The Regulation of Dental Assistants Under the RHPA

Date: February 27, 2014

Lawyers You Should Know: Dr. Gary Srebrolow

Originally published in the [Ontario Bar Association \(OBA\) - Health Law Section](#), February 11, 2014.

The [article](#) discusses the process followed by the Ministry of Health and Long Term Care in determining if a health profession should be regulated under the *Regulated Health Professions Act*. The article focuses on Dental Assistants and how they were recently denied status as a regulated health profession on the basis that there is already existing and sufficient supervision in place.
