PRACTICE AREAS

- Corporate & Commercial
- Corporate Insurance
- Information Technology
- Commercial Leasing
- International Trade and Business
- Indigenous Law
- Mergers & Acquisitions/Private Equity

Stan provides corporate and business law advice to a broad base of clients, both foreign and domestic, including multi-national companies, public corporations, Indigenous communities, entrepreneurs, private equity investors, charitable organizations, private owner-managed businesses and financial institutions.

Stan has advised clients involved in a variety of business transactions including acquisitions, divestitures and restructurings of businesses, commercial leasing arrangements, financing transactions, corporate reorganizations, complex contract and business enterprise matters, and technology and e-commerce issues. He also has extensive experience representing Indigenous communities on a range of corporate commercial and governance matters. Stan's insight and advice are valued by clients in a wide spectrum of industries including insurance, manufacturing, distribution, computer technology, business services and financial services.

Within the firm, Stan's corporate and other partners look to him to act as lead counsel in connection with a number of significant merger and acquisition transactions.

Stan takes pride in having maintained a professional relationship with a number of clients over many years, providing individual and

business clients with legal counsel and advice regarding all aspects of business, including shareholder and partner relations, succession and tax oriented planning and transactions, and negotiating and drafting of commercial agreements.
