PRACTICE AREAS

- Commercial Real Estate

A member of the firm for 40+ years, Bill brings invaluable expertise to his role in the Real Estate practice group. Bill specializes in Real Estate title issues (current and historical), Planning Act problems and solutions, preparation of complex title documents, and finding and correcting errors in registered titles. His skill set is instrumental to the department, as fewer and fewer clerks have the conveyancing knowledge he possesses.

Bill is efficient and meticulous, consistently commended by lawyers for his positive attitude and overall approach to assisting them with tasks.
