PRACTICE AREAS

- Commercial Litigation

Rose is seasoned Law Clerk with significant experience in commercial litigation, with an emphasis on product liability, breach of contract, shareholder disputes, and insurance coverage. She provides support in all aspects of litigation and e-Discovery including working with large complex document files and compiling and reviewing clients' electronic documents. Rose prides herself in supporting the firm's clients efficiently by making extensive use of technology including specific litigation software platforms.

Rose teaches part-time in the paralegal program at George Brown College.
