Armando brings close to two decades of experience to his role as a law clerk working exclusively in Family Law. He has worked on cases involving collaborative practice, mediation, arbitration, litigation and appeals.

Armando has been assigned to very complex family law cases including hidden properties, foreign assets, and child protection. He has also attended court several times for trials, arbitration, adjournments, and filing of documents. He has a deep understanding of the intricacies of each court in Ontario and the different filing requirements that each court has. Armando assists the family lawyers in all aspects of a family law case from the initial consultation to enforcing a final order.

Armando is passionate about family law and has participated in numerous Family Law Continuing Legal Education courses and seminars throughout his career. He brings a compassionate approach to his work and strives to help families deal with all the paperwork and particulars involved in a separation and divorce.
