- Commercial Real Estate
- Commercial Leasing
- Corporate & Commercial

Sean is a seasoned lawyer known for his honesty, compassion, and practical approach to real estate law. He takes the time to truly listen to his clients' needs and treats every transaction with the same care and diligence as if it were his own.

Sean's practice encompasses a broad range of complex commercial real estate matters. Specializing in leasing, acquisitions, dispositions, secured lending and financing, and development, Sean provides strategic legal counsel to developers, investors, lenders, and corporate clients.

His experience spans the entire deal lifecycle — from strategic planning and negotiation to execution and dispute resolution. This unique blend of legal and business experience enables him to offer clients well-rounded, strategic legal advice.
