

Mining

Blaney McMurtry has an experienced Mining Group which has been involved in all phases of the mining industry. We have special expertise in mining start-ups and going public transactions. Through our TAGLaw partners, we have an extensive network of affiliated law firms which can provide expertise in any area of the world where mining is carried on.

We provide advice in the following areas:

ACQUISITION, EXPLORATION AND DEVELOPMENT

- Confidentiality Agreements
- Property Acquisitions and Dispositions Agreements
- Option and Finance Agreements
- Royalty Agreements
- Joint Venture Agreements

FINANCINGS AND STOCK EXCHANGE LISTINGS

- Initial Public Offerings
- Private Placements
- Bought Deals
- Reverse Takeovers
- TSX, TSX-V and CNSX Listings

MERGERS AND ACQUISITIONS

- Takeover Bids (friendly and hostile)
- Business Combinations

COMPLIANCE AND REGULATORY MATTERS

- Corporate Governance
- Related Party Transactions
- Directors and Officers Liability

- Continuous Disclosure

Our Mining Group also works with the firm's Environmental Law Group in matters relating to mining industry environmental issues. Our environmental lawyers are knowledgeable in all aspects of permitting, mine development and reclamation. Our Mining Group is also supported by other practice areas in the firm such as tax, employment law, litigation, securities and general corporate law.
