Blaneys Mining Expert Speaks at Mexico-Canada Mining Program Co-Sponsored by Export Development Canada

Date: December 20, 2011

Ralph Cuervo-Lorens was a speaker at ***Mexico-Canada Mining Task: Canadian Financing and Development for the Mexican Mining Industry***, a program co-sponsored by the Export Development Canada, the Toronto Stock Exchange and others, in Mexico City on November 9, 2011. Ralph, who participated remotely, spoke about mechanisms for accessing Canadian capital for mining development. Among the attendees were the Mexico City representative of the TAGLaw network, and most of Mexico's main mining companies as well as several non-mining companies with a general interest in Mexico-Canada business and trade.
