

# Blaney McMurtry Associate appointed Young Lawyer Vice- Liaison of DRI International Committee

Date: August 19, 2011

Jason Mangano, an Associate with Blaney McMurtry and member of the firm's Insurance Defence Litigation and Insurance Coverage Counsel groups, has been appointed as Young Lawyer Vice-Liaison of the International Committee of the Defense Research Institute (DRI). The DRI International Committee provides a forum to bring together international clients and the in-house and outside counsel who represent them, as well as U.S. multi-national companies and their inside and outside counsel. Jason's term begins October 2011.
